

The background image shows a two-story, light-colored building with several windows. Some windows have blue-tinted glass with a cross-hatch pattern. To the left, a large tree with vibrant red and orange autumn leaves partially obscures the building. A smaller tree with similar foliage is on the right. A large, faint, circular watermark seal is overlaid on the right side of the image, featuring the words 'SHELTON STATE' and a central emblem. In the lower-left corner, there is a dark rectangular area containing white text. A 'ONE WAY' street sign with an arrow pointing right is visible in the background behind the text.

Non high school graduates may qualify for admission to courses not creditable toward an associate degree by demonstrating an Ability-to-Benefit prior to enrollment. For more information on Ability-to-Benefit, call 205.391.2662. All applicants are required to submit an application for admission which includes the student's signature and in-person presentation of a valid photo identification (I.D.). In addition to an application for admission, students are required to supply the College with official transcripts. Required documents are based on the student's admission status.

Transient students must provide official documentation of satisfying pre-requisites prior to registration. Transient students are not eligible to receive financial aid.
- **Transfer** - The student must have official transcripts mailed from each institution previously attended. No faxed copies will be accepted. Transfer students must provide official documentation of satisfying pre-requisites prior to registration. All official transcripts must be on file before a student can receive financial aid funds.
- **College Graduate** - The student must submit an official transcript from the institution from which the degree was awarded.

First-time freshmen and transfer students may be conditionally admitted for one semester without the appropriate transcripts. However, students will not be allowed to register courses without documentation of having met prerequisites or the appropriate COMPASS® score. Students must be prepared to provide this documentation at the time of registration. Also, students who receive federal financial aid must have a complete admissions file. Students who earned the Alabama Occupational Diploma, accelerated high school students, dually enrolled students, Ability-to-Benefit students, and students who graduated from non-accredited high schools may not be conditionally admitted and must register in the Office of Admissions & Records. Students should schedule classes to allow plenty of time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student's first class meets from 8:00 until 10:00 a.m. on the Fredd Campus, the student should not register for a class that begins at 10:15 a.m. on the Martin Campus. For directions to the campuses, see the Web site or the back cover of the printed schedule.

REFUND SCHEDULE AND POLICY

All terms within the semester, full term, first split term, and second split term, are treated independently for refund purposes. The first day of classes is defined as the first day of class for the particular term. Students will receive a 100% refund for classes dropped during any Drop/Add period if a class or classes remain for the same term. After the respective Drop/Add period, no refund will be given except for total withdrawal. A student who officially withdraws from any or all classes before the official first day of class for the respective term will be refunded the total tuition and other institutional charges.

DROPPING CLASSES

Students will receive a 100% refund for classes dropped during the drop/add period if they still have a class or classes remaining for the same term. After the drop/add period no refund will be given except for total withdrawal.

DEFINITIONS

FEDERAL GRANT RECIPIENT - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG) or Alabama Student Assistance Program (ASAP and ASAP Knight), is defined as a Federal Grant Recipient.

COMPLETE WITHDRAWAL - The Return of Title IV funds will be calculated based on an applicant's failure to complete at least 60 percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

SIXTY PERCENT (60%) OF ENROLLMENT PERIOD - Students who withdraw from school on or before these dates will owe a repayment. Students who withdraw after these dates may not owe a repayment.

REPAYMENT - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U.S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

FINANCIAL AID CREDIT HOURS - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means that the credit hours may not be counted fully for financial aid purposes only. All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated to the student via email. To activate Bucs Mail visit www.sheltonstate.edu.

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs. Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI - Computer Based Instruction This is a class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI - Computer Assisted Instruction This is a class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B - Blended This is a class with an instructor requiring students to attend a designated number of classes on campus and to complete activities and coursework online. Access to a computer with high speed Internet capabilities is required.

O - Online This class meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.
